WELCOME

To all Martial Artists

Welcome to the family of the World Martial Arts Games Committee (WMAGC). As a leading world martial arts association, we are in the privileged position to bring organization, strength, evolution and community to our athletes, members and customers through association.

The WMAGC provides members with unique sport development opportunities, practical support programs, events, education and the opportunity to network with the international sports community at the highest levels.

WMAGC MISSION

The World Martial Arts Games Committee's objective is the world-wide promotion of Martial Arts Sport for All, through physical activity, competition and association.

WMAGC's objective is fulfilled in particular by:

- promoting ethics, education of youth, the spirit of fair play and the banning of violence in martial arts sport.
- encouraging and supporting the promotion of women in martial arts at all levels and the principle of equality of men and women.
- helping to promote and preserve traditional cultures in martial arts through programs, events, publications and research
- through the establishment and recognition of National bodies under the umbrella of the WMAGC
- Through offering of educational and training programs in Martial Arts Sport for All and the recognition and support for regional conferences and international seminars in cooperation with promoting institutions.
- Through the cooperation with International institutions and the establishment of alliances.

WMAGC NETWORK

Vision & Acknowledgments

Established in 2005 for a better Martial Arts World

Since 2005, the World Martial Arts Games Committee has promoted the ideals of a united martial arts world and the concept of Sport for All. The foundation and framework are in place for us to showcase what we believe will be the largest sport market in the world. Your support is all we need to see it through.

The WMAGC receives financial and practical support from various private and public partners. Only through the generous support of ist partners the WMAGC will be able to fulfill ist missions and visions.
